

SC Series

The SC Series Islands offer elegance at its best with the features and options available to create the ultimate outdoor kitchen. We offer nine unique designs that can be fully customized to fit most every need. Choose the counter top finish from our standard porcelain tile or upgrade to your favorite granite or marble tile. The standard sand pebble stucco finish is available in a wide array of colors. You won't want to miss viewing our Terraneo base option offering a richer textured finish. The full line of accessories will complete the Outdoor Island Kitchen of your dreams.
